FROM NATURAL RATTAN COMES THOUGHTFULLY CRAFTED FURNITURE MADE WITH PURPOSE

RATTAN TRADEASIA
PART OF TRADEASIA GROUP

Designed to Bring *Every Business Space*

Rattan Tradeasia connects global buyers with carefully selected rattan furniture, home décor, and natural-material products through a sourcing approach built on reliability, responsive communication, and long-term business partnership. By understanding each buyer's product preferences, design direction, quantity requirements, and target market, we help businesses explore suitable options that align with their commercial needs while maintaining the natural character, craftsmanship, and timeless appeal of rattan.

As part of the wider Tradeasia network, we support buyers throughout the sourcing journey, from product exploration and supplier coordination to specification review and inquiry follow-up. Through clear communication and practical sourcing assistance, we aim to simplify the process, reduce uncertainty, and help businesses move forward with greater clarity and confidence when navigating opportunities within the global rattan supply chain.

Featured *Furniture*

Discover our featured rattan collections, thoughtfully selected for their handcrafted details, organic forms, and elegant everyday function. From furniture to decorative accents, each piece is designed to support warm interiors, relaxed outdoor settings, and memorable hospitality spaces.

RESPONSIBILITY

Crafted Responsibly for *Every Space*

At Rattan Tradeasia, responsibility begins with the way each material is selected, shaped, and prepared for use. We work with natural rattan for its character, flexibility, and timeless appeal, while paying attention to practical construction and thoughtful finishing. Each piece is created to bring warmth and function into different spaces, from private interiors to hospitality and commercial projects.

Our approach is built around long-term value. We believe responsible furniture should be made with care, packed with consideration, and designed to remain useful beyond short-term trends. By focusing on durable forms, careful handling, and efficient preparation for global sourcing needs, we aim to support collections that feel natural, purposeful, and ready for everyday use.

Natural Material Use

We work with natural rattan and woven materials that bring warmth, character, and long-term appeal. Each collection is developed with attention to material suitability, practical use, and responsible sourcing consideration.

Export & Logistics Care

From packing preparation to shipment coordination, our process supports smoother international sourcing. With Sree Logistics as part of the Tradeasia Group ecosystem, we help buyers manage logistics needs with better coordination.

Made to Last

Responsibility also means creating products that can serve longer. Our collections are developed with durability, comfort, and timeless design in mind, helping each piece remain useful across different project needs.

THOUGHTFUL CRAFT TURNS NATURAL RATTAN INTO MEANINGFUL FURNITURE.
